Program starts at 5:30pm

Yankee Stadium
East 161st Street & River Avenue

Join The Bronx Community Foundation for an evening at our Bronx famed ballpark and help root for the home team with dinner, drinks, and of course fun, all in support of our mission to invest in community power to eradicate inequity in the Bronx.

We offer sponsorship packages for \$50,000, \$25,000, \$10,000, and \$5,000. This includes pre-game ceremony and tickets to a private luxury suite at Yankee Stadium with dinner and drinks.

Our Framework

Transformative Philanthropy

The foundation uses a transformative philanthropic framework with solutions designed by and for the people of this historically marginalized community. Due to the complex challenges and historic disinvestment of the Bronx, the foundation is redefining what a community foundation is and plays multiple roles within the borough. We focus on three key strategies to address the challenges in the Bronx.

Philanthropy and Grantmaking

Through our participatory grantmaking process, we ensure community members are at the center of grantmaking by giving them the power to decide who and what to fund.

Convening

The foundation is a lead convener in the borough bringing key stakeholders, community leaders and residents together to discuss ongoing challenges and opportunities.

Strategic Programmatic Initiatives

Incubating and funding cross-sector solutions to address long-term challenges is critical. The foundation develops and pilots programmatic initiatives that meet the most urgent needs of the community.
